Mango Essence Massage

80 min - 196 (regularly 245)

An exquisite relaxing massage drawing from a fusion of Eastern and Western modalities, combined with an infusion of native South Florida mango essence, create an immersive relaxation experience. Loved and shared by South Florida natives, this refreshing and zesty fragrance conjures imagery of sun-kissed days and balmy nights. Aside from the sensory experience, your skin will be nourished and softened with mango's natural antioxidants, brightening citric acids and vitamin C.

Recover Deep Tissue Massage

50 min - 160 (regularly 200)

This intensive and restorative massage eases stiff, tight, aching muscles. Targeted deep tissue and pressure point massage techniques are combined with passive stretching to instantly release pain and tension. For an additional \$25, enhance your massage with the healing and regenerative powers of 400mg of CBD extracts combined with other natural botanical ingredients. Our CBD upgrade helps relieve sore muscles and pain from inflammatory conditions.

Ocean Enchantment Signature Facial Experience

80 min - 208 (regularly 260)

This ritual begins with your choice of our orange blossom (brightening) or luminescent marine (anti-aging) facial. The facial is then enhanced with our firming sugar & seaweed eye treatment. A mineral salt and seaweed scrub exfoliates dry skin on the legs and feet, which are then wrapped in warm orange blossom-infused towels. Unwind into a state of pure bliss as the experience concludes with a neck, shoulder and scalp massage. Reserve this treatment and receive a complimentary spa gift box, while supplies last.
